For the Office

Computer Software - keeping our computers up to date and our information safe costs about \$350 annually.

Our **Color Copier** adds great dimension to our brochures and posters, however color is more expensive to print. Ten cents a copy is added to our maintenance agreement, which is about \$650 a year.

Newsletters keep everyone informed of what is going on. It costs approximately \$40 every other week when we mail a newsletter out.

Supplies cost about \$2,000 per year. Paper & toner for the printers are our biggest costs, but there are also several other smaller costs that add up. We estimate it costs about \$5.50 a day to keep the office running smoothly.

Training on our financial software program is essential to keeping our records accurate. It can cost anywhere from \$200-\$1,000 a year.

Washington Snackpac

This program began in 2015 to provide food for children who did not have enough to eat on the weekend. SCC is one of several churches to provide leadership, volunteers & funds. This program, which is truly led by the Spirit of God, is currently helping hundreds of children and is growing.

Love Pantry

We help supplement groceries for low-income families in the area by providing non-perishable food items each month. The cost to maintain the Love Pantry is \$100-\$200 each month.

Worship Committee

Floral arrangements for the sanctuary cost \$50 a month. Would you be willing to give all or part of a month so we can keep our sanctuary beautiful? \$600 covers the cost of one year.

Choir music costs about \$3 per piece. We buy for 10 choir members, so \$30 would buy a piece for everyone. Our choir, with Dee's leadership, does a beautiful job each Sunday.

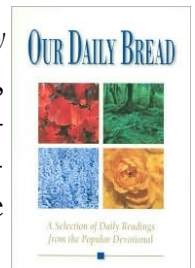

Special Celebrations call for special supplies. In the life of the church, Easter, Pentecost, Thanksgiving & Christmas are a few of our special celebrations. At Christmas time, garland for the sanctuary may need to be replaced, and what else do we need to bring our hearts into the glory of our holidays? \$100 each occasion would help make each one more memorable.

The **Lord's Supper** is celebrated each Sunday. It costs \$200 a year to provide bread & juice for communion.

Christmas Eve Candle Light Service is so special every year. Keep in mind, candles need to be replaced periodically. Can you help cover that cost?

Devotionals like *The Secret Place* and *Our Daily Bread* are not only enjoyed by our church goers, but when a new shipment arrives, the "old" copies are distributed to local nursing homes for others to enjoy. Would you like to help support the donations sent in for these devotionals?

Outreach

We reach out to many people in our community and the world through various **mission efforts**. Any amount will help someone in need.

Week of Compassion helps those in crisis year round, from our doorstep (like the 2013 tornado), to around the world. Our country has witnessed hurricanes, tornadoes and wildfires.

Evangelism

Ads in newspapers, etc. cost \$50-\$150 for each special occasion. These ads let everyone know where we are and what we are doing. Help us reach out with the Good News to all people.

Direct mailings are mailed a few times each year. These full color brochures promote our church and upcoming events. We have reached thousands of homes. Any amount will help.

Christian Education

Sunday School Classes (Adult & Youth) meet every Sunday morning. Materials cost about \$50 a month.

Nursery —\$100 would allow us to update supplies.

Church Buildings and Grounds

Building and grounds **operating costs** for a year run about \$25,000. This includes utilities, cleaning services, supplies, snow removal, building maintenance and lawn care. That's about \$2,084 per month or about \$69 a day.

Our **Continuing Improvement** fund helps us accomplish major improvement projects (in the past we replaced the roof and repaved the parking lot). New funds will help us with future projects.

Membership

Church **fellowship activities** (meals and celebrations) cost about \$100 each. Ten gifts of \$10 will pay for one of these special events.

Greeting Cards are sent throughout the year to recognize birthdays, anniversaries, sympathy, sickness, etc. Cards and stamps cost about \$1 per card.

Where Needed

Perhaps nothing catches your eye, you could write a check and mark the form "Where Needed." Miscellaneous items come up during the year and this "Where Needed" fund would assist with those items.
